the Annual NEXUS EQUINE
GOLF INVITATIONAL

nexusequine.org/golfinvitational

Nexus Equine's annual benefit tournament is being held at the exclusive **Oak Tree National Golf Course**, home of numerous PGA championships! We are excited for you and your friends to enjoy a great day of golfing all while helping us continue to help Oklahoma horses.

Nexus Equine is a non profit organization (EIN 81-1990122) founded in 2016 to provide much needed support and salvation to horses. Oklahoma is #3 in the nation for the number of horses, yet we do not have enough resources to support horses in need. Nexus Equine is here to fill the void by providing viable opportunities that promote the well-being of Oklahoma horses. These opportunities include a safe place to go and much needed vet care and nutrition.

In 2022, Nexus expanded the scope of programs with the introduction and implementation of the Community Connection Program (CCP). Nexus developed this program to increase community outreach by bringing horses together with children and other vulnerable populations. The premise behind the CCP is to connect horses with inner city children that otherwise may not ever have this interaction. Nexus believes horses have a positive impact on those around them, whether you are experienced with horses or have no experience at all.

This unique opportunity is life-changing when kids to come to Nexus, meet the horses, interact with them, learn something new and take away skills and knowledge that otherwise might not have been available them. A true win win for everyone.

Since our journey began in 2016, we have been able to serve over **1,675** horses. With the increasing number of horses needing support and resources, it is our **#1** priority to be available when we are needed. Your support continues our mission for horses both **TODAY AND TOMORROW**.

Thank you for joining us for a beautiful day of golf at Oak Tree National Golf Course.

Warm Regards,

Deanna Cardenas
Golf Tournament Co-Chair
